

The path from a shelter dog to a Legend

Hello, I'm Rocket. I was just rescued and now I'm in a shelter waiting for my forever home.

Arrooooo!
I got adopted by my forever family!

My family just nominated ME to become one of the next Rescue Legends!

Kids hear about my rescue story and buy card packs and complete missions to support animal rescue – AND earn me votes to becoming a Rescue Legend.

The next pack of Rescue Legends are announced....
(drumroll)
I made the pack!

An illustrator uses my looks, personality, and backstory to bring my Legend character to life!

I celebrate my life with my new forever family – and also as a Rescue Legend!
